The Hydro Globe is a hand made gift that is both attractive and functional. Mouth blown in Europe by skilled craftsmen it makes a simple but effective way to water your plants making it an ideal gift for the home and garden. The Hydro Globe works by creating a vacuum. When the soil dries it releases oxygen into the glass sphere which then releases water through the stem into the soil.

RRP: £7.99 to £9.99

### Bookrest Lamp

Whilst you're all tucked up in bed reading your favourite fairy-tale, horror story, glamour model biography, you can read to the glow of this clever and uncomplicated lamp. Made of frosted glass it gives off a soft light, ideal to read too but also doubles as a book rest ensuring you never lose your page. But this is no ordinary run-of-the-mill book stand, sit your favourite book on top of the lamp and look! You've made a house! It's just one of those simple design gems that makes you feel all warm and fuzzy inside.

RRP: £40.00
