A potato masher inspired by old fashioned ski poles. The rubber handle is ergonomic, easy to grip and allows you to hold it from the side or from above. The mashing plate really works well. After much testing, we found a design that pushes the mashed potato away from the stem to help it mash faster and almost clean itself.

RRP: £11.50

Modern Botanicals

Big Tomato Company
75 St. Helen's Gardens
London W10 6LL
T 0208 9681 815

'Modern Botanicals' is a stunning collection of classic honest shapes with beautiful drawings by Atlanta Bartlett for Big Tomato Company, manufactured in Stoke-on-Trent. An up to date take on early botanical images and already a firm favourite with the press, this range continues to grow and aspires to become the next generation of much-loved English kitchenware!

RRP: £5.00 - £45.00

Marmite Pop Art - Marmite is a British classic. Our Pop Art range of kitchen items in high fired white porcelain, coasters, placemats and tins use the iconic jar in a fresh stylish way and are dishwasher safe. The range is highly functional and in contemporary colours. The whole range is designed to work together with the same six colourways being repeated through the range.

RRP: from £4.99
