The Little Book Holder

That company called "if"
IF House, Thornton Road
Pickering YO18 7JB
T 01751 475 757
E sarah@thatcompanycalledif.com
W www.thatcompanycalledif.com

A fun and affordable gift for anyone who loves reading, the Little Book Holder is perfect for holding your book open in all situations, windy days in the park or on the beach, making notes when studying, sunbathing by the pool and for parents with their hands full. Just clip onto your favourite book and let this muscular miniature take the strain.

RRP: £2.99

Winner

Dangerous Books for Boys Science Kits

Interplay UK Ltd
Unit D, Meter House, Fieldhouse Lane, Marlow SL7 1LW
T 01628 488944
E nancy@interplayuk.co.uk
W www.interplayuk.com

These old-fashioned "books" open up to reveal a secret compartment cut into the "pages"! There are 5 titles to collect, each with a different science activity. Everything from making Rocketballs, to Anti-Gravity experiments, from an Electricity Lab which makes a battery from coins to the Pocket Science Lab and Science Tricks, all containing everything to perform a range of weird and wonderful scientific "miracles".

RRP: £5.99
