

Grubs & Bugs

Fallen Fruits

Captivate the imagination of even the littlest of green fingers with our bold and bright 'Grubs & Bugs' range! Whether they like to dig deep for mini beasts, prepare a feast in a mud kitchen or perhaps are budding horticulturalists, these vivid garden tools have all bases covered.

KG265 – Children's Gloves (Grubs & Bugs)

Protect little green fingers when gardening with these cheerful printed gloves! In a bright Kelly green with a friendly ladybird on the left hand and a beaming bumblebee on the right, these gloves come with elasticated cuffs to prevent debris from getting in and latex palms for improved grip. Size 4 for the youngest gardeners. Packaged on a header card with euro lock.

KG269 – Children's Kneeling Pad (Grubs & Bugs)

Protect little knees from cold, hard and damp surfaces while gardening! Featuring our bright and bold "Grubs & Bugs" print, this foam kneeling pad has a convenient carrying handle and is easy to store.

KG266 – Children's Apron (Grubs & Bugs)

Kid's love getting grubby in the garden! Minimise the mess with this cheerfully printed apron! Celebrating an array of garden mini beasts this bold and bright apron has a back tie, adjustable neck strap and handy storage compartment, perfect for tools, rocks, and perhaps even any grubs and bugs they decide to put in there. . . Comes packaged folded on a header card with euro lock.

KG270 – Children's Watering Can (Grubs & Bugs)

This cheerful and bright coloured watering can is a must have for little gardeners! With both a movable top and side handle it can easily be used by little hands and with a large top opening it's easy to fill to its 1.25ltr capacity. Featuring a rose head it provides a gentle stream of water and kids will love the friendly grubs and bugs print.

KG267 – Children's Toolbelt w/Tools (Grubs & Bugs)

Make sure your budding horticulturalists are all tooled up with this bold and bright printed garden toolbelt! The set consists of a spade, fork and shovel. The tools are made from sturdy powder coated mild steel in bright green, with 100% FSC Certified Wood handles, especially designed for small hands.

KG271 – Children's Bucket (Grubs & Bugs)

This cheerful and bright coloured bucket is a must have for little gardeners! With a movable metal handle it can easily be used by little hands and can be filled to a 1.675ltr capacity. Kids will love the friendly grubs and bugs print wrapped around the entire bucket!

KG268 – Children's Garden Tools Set - 3 Insects (Grubs & Bugs)

Encourage a love of the outdoors and the enjoyment of an appreciation for growing and the magic of outdoor play with this fun, bright and bold gardening tool set! With a red ladybird rake, a teal dragonfly spade and yellow bumblebee fork, this set has been specifically designed to make them the perfect size for budding horticulturalists. The tools are made from sturdy powder coated mild steel and ergonomic PP handles.

KG274 – Insect Windmills Assorted (Grubs & Bugs)

Capture the wind with these cheerful windmills! Inspired by the mini beasts found in gardens, kids will love decorating the garden, lawn and even sandcastles with these colourful spinning creatures!
