Life is better with bubbles

If you enjoy a salt bath but want bubbles this is for you. One shot is plenty for a totally luxurious bath.

The salts are from the dead sea and are high in minerals to relax, rejuvenate and hydrate.

High quality fragrances and essential oils perfume the skin.

If you like bubbles there are plenty of them and the foam is plant based!.

A personal treat or a thoughtful gift. Why not put 3 in one of our gift boxes.

Hand made in the Peak District by Wild Olive.

"There must be quite a few things a hot bath won't cure but I don't know many of them."
