## Why Gardening for Kids?

**For Children. For Nature. For Good.**

Here at Gardening for Kids, we're passionate about getting children outside and exploring the world around them. We're committed to encouraging children not only to engage with nature, but to be its advocate for years to come.

Since starting in 2016, our small family business has been the UK's only shop specialising in gardening products exclusively for children, and we have supported thousands of children to get growing for the first time.

### Gardening for Kids is:

-  Committed to sustainability
-  The leading UK retailer in children's gardening
-  An award-winning small business
-  A key supply partner to schools, businesses, charities and local authorities
-  Supporting UK small businesses
