👍 Featured on LoveReading4Kids – the UK's leading children's book recommendation site

# Small book. Big Heart.

**A Pocket Gift Book Critics  
and Readers Adore**

Critically acclaimed first title in a new rhyming picture book series charting adventures of Poppy the Pea— an inspiring short tale that nurtures courage, resilience, and hope. A perfect gift for dreamers young and old!

Meet Poppy the Pea! Poppy lives with fellow peas “in the dark and freezy degrees.” She dreams of being bold and free to explore the outside world, but one irrational and overwhelming fear stands in her way. Can this sweet little pea ever find the courage to break free? Join Poppy as she engages with fear, setbacks, and wise, loveable characters on her first and formative adventure!

**Age Group: 5+ RRP: £6.99**

★★★★★

“...utterly charming book that captured my heart the moment I started reading... comes in a beautiful gift book that suits children and adult shelves alike.”

**Louise Ellis-Barrett, Armadillo Magazine**

“A beautifully narrated story with wonderful illustrations. Suitable for children to listen to and read themselves. The book and the activities Dr. Fuzz has provided on his website help both parents and teachers engage in discussions about children's fears and emotions.”

Tracy Goldblatt, Literacy Adviser for Camden Learning

“This beautifully crafted pocketbook explores themes of bravery and hope through charming illustrations and playful rhyming verse.”

Tom Tolkien, The School Reading List

“Presented in a cute small hardback format that's perfect for little hands, it's an irresistible package of charming illustrations and poetry.”

Joanne Owen, Lovereading4kids
