# KODES

HANDCRAFTED BOLD JEWELLERY AND ACCESSORIES  
TO EXPRESS PERSONALITY AND MAKE A STATEMENT  
AUTUM WINTER 2025

# The Brand

HANDMADE IN NORTH LONDON BY

MORENA FIORE SINCE 2015

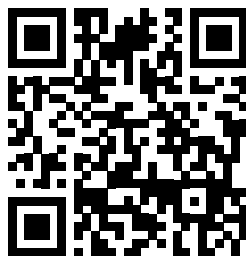

Kodes are handcrafted bold geometric jewellery pieces designed to express personality and creativity by making an accessible statement investment that will still be lightweight.

*“Kodes was born from my need to express my creativity through jewellery, something I couldn’t do through my hair, because of Alopecia, an autoimmune disease that causes partial or total loss of hair and body hair.”*

*Morena Fiore,  
Kodes founder and  
designer maker*

# The story

I started Kodes in 2015 as a way to express my creativity and personality, something I couldn't do through my hair, which I lost at the age of 12 due to Alopecia.

Alopecia can be a cruel condition. On the outside, we may look fine. "it's just hair," people say, but inside, your world can feel like it's falling apart. Your identity is completely in crisis. Who knew hair could hold so much meaning?

But I refused to let it define or limit me. I grew up listening to Alanis Morissette's fierce, unapologetic lyrics and channelled that same anger into rebuilding my life on my own terms. That meant moving to the UK in 2003.

That determination also fuelled the creation of Kodes.

Kodes is all about empowering people to express their creativity and personality through jewellery. That could be wearing their favourite colour to a job interview, choosing bold shapes that reflect their energy, or simply finding joy in the pieces that feel most like them.

Kodes was also born as a quiet rebellion against fashion's push for sameness, something I often felt growing up in Italy.

Kodes is for those who want their jewellery to speak of boldness, of individuality, and of joy.

## THE ART DECO COLLECTION

The design is thoroughly inspired by Art Deco, especially architecture, fountains,  
sun burst and the fan design motifs.

The strong geometric lines and the complementing brass components instead, shout firmly  
they are items for the modern times.
