**Wow!**

You've chosen KODES Scentsory  
diffuser jewellery with  
dōTERRA essential oils

I'm Shehnaaz

I love to educate families about essential oils  
for everyday wellness  
so when Morena asked me to collaborate, I was delighted!

*dōTERRA's means gift of the Earth*

So when you choose dōTERRA essential oils you're choosing  
Pure  
Plant powered  
Toxin-free  
Natural solutions  
as your wellness lifestyle for you and your family

## ***How to use essential oils on your jewellery***

Simply put 1-2 drops of essential oil onto the lava rock diffuser bead on your KODES diffuser bracelet, chain or necklace and enjoy the gently diffusing aroma!

Top up when you need to or pop a drop in your palm or onto your wrists and rub together, close your eyes and enjoy taking a few deep breaths in and out, slowly.
